Tian Ci Jin Lu Metamorphic Sign

The First Sign of a Great Game

We are thrilled to partner with Hann Casino Resort to launch the first metamorphic sign in Asia.

Aristocrat Gaming's award-winning game, Tian Ci Jin Lu™, has recently debuted at Hann Casino Resort in Clark, Philippines. What makes this launch momentous is that it features the region's first of its kind metamorphic signage, where the sign becomes a major part of the game.

The Sign Becomes the Game

The metamorphic sign creates a dynamic experience where its content interacts with the jackpot values on the top screen. As players progress, coins fill up the temple steps on the overhead signs to indicate the length of time between jackpots being won. When the jackpot is hit, the sign erupts into a visually stunning display, enhancing the entertainment and excitement of a big win.
