Palaces around the world are renowned for housing spectacular art, and Wynn Palace is no exception. Wynn Macau was the first to bring precious Chinese works of art home to Macau, and Wynn Palace continues to honor that tradition by displaying a collection of four extremely rare porcelain Qing-dynasty *Bucclench* vases – the finest examples of *chinoiserie* and the ultimate artistic encounter between East and West – for visitors to admire. As renowned artist David Hockney famously once said: "Of course art is about sharing. You wouldn't be an artist unless you wanted to share an experience, a thought." Whether it may be traditional works of art or imaginative contemporary art pieces, Wynn Palace offers an extraordinary space for the arts and creativity.
